Premier SkyPark Information

PREMIER Aero Services partnership has a wide field of experience in aviation ground handling, flight management, flight dispatch, and related services. In the early years, we were operating under the **SIMCO**. **SIMCO** is a pioneer ground handling service provider at Seletar Airport. We have been in Seletar Airport since the early 1970s.

Over the decades we have grown with our key customers namely **Pelita Air Service, Robin Air, AirFast, Rockwell Collins, NetJets, Tag Aviation, Seletar Jet**, and regional privately-owned jets.

PREMIER AERO offers personalized ground handling at Seletar Airport & Changi Airport. We are equipped with international exposure and expertise to ensure that every service required by executive jet users is delivered promptly 24/7, thus making the Singapore experience smooth and seamless for both passengers and crew.

Presently, **PREMIER** and **SKYPARK** business partnership under the brand **Premier SkyPark** offers Ground Handling services for the handling of flights at Seletar Airport & Changi Airport. The team is committed in providing outstanding services to all our clients as we continue to work together on other strategic developments.
